Pearson Requirements Audit Toolkit

Public overview | Applicable Pearson provision

Support centre and qualification approval, delivery oversight and assessment quality for relevant Pearson qualifications.

Framework

Current Pearson centre approval and qualification policies, qualification specifications and applicable quality assurance arrangements.

High-level evidence mapping

Approval and capability - Centre and qualification scope, authorised delivery arrangements, staffing and resources.

Delivery and assessment - Programme planning, assessment decisions, internal verification and learner support records.

Quality assurance and follow-up - External quality assurance records, action responses, learner information and continued monitoring.

Access and use

Public summary only. Detailed prompts, templates, assessment methods and proprietary audit documents remain restricted. This independent PRP Quality resource is not a completed audit or an approval or endorsement by the named body. Check current requirements and provider-specific applicability.
