Teaching Excellence Framework Audit Toolkit

Public overview | England

Bring together evidence of student experience, student outcomes and educational excellence to support TEF preparation and quality improvement.

Framework

Office for Students Teaching Excellence Framework guidance, indicators and assessment arrangements for the relevant exercise.

High-level evidence mapping

Student experience - Teaching, learning, assessment, academic support and student engagement evidence.

Student outcomes - Continuation, completion and progression information, interpreted for the provider context and student groups.

Evaluation and improvement - Evidence-based narrative, student contribution, review findings and evidence of the impact of improvements.

Access and use

Public summary only. Detailed prompts, templates, assessment methods and proprietary audit documents remain restricted. This independent PRP Quality resource is not a completed audit or an approval or endorsement by the named body. Check current requirements and provider-specific applicability.
