UK Quality Code Audit Toolkit

Public overview | United Kingdom

Support the review of academic standards, quality assurance and enhancement using the UK Quality Code for Higher Education.

Framework

UK Quality Code for Higher Education 2024, its sector-agreed Principles and accompanying QAA Advice and Guidance.

High-level evidence mapping

Standards and governance - Academic governance, standards, programme design, approval and monitoring.

Student learning and partnership - Student engagement, assessment, support, resources and partnership arrangements.

Enhancement and review - Evaluation, external reference points, review outcomes and accountable improvement.

Access and use

Public summary only. Detailed prompts, templates, assessment methods and proprietary audit documents remain restricted. This independent PRP Quality resource is not a completed audit or an approval or endorsement by the named body. Check current requirements and provider-specific applicability.

Official framework and guidance

Explore this toolkit on PRP Quality

Quality Code application varies by UK nation and review arrangements. In England it is not generally a regulatory requirement except for providers subject to Educational Oversight Review.
